Here is a leaf from the diary of a globe trotter. Can you find concealed in the text the name of the locality where the pictured incident occurred? ANSWER TO LOST OPPORTUNITIES.

Every one of our young lady readers voted Cholly Slowpop a mutton head for his explanation of the sweetness of stolen kisses, and the stupid answers to those easy conundrums. Of course he should have replied that they were like that tempting fruit because they were such a "nice pair." If when she had asked him what kind of animals fell from the clouds he had replied "reindeer," the atmosphere would have been less chilly auring the ride home.
